Certificate of Completion

This certifies that **Garrick Plaisted** has completed the WebAIM Web Accessibility Training held July 19-20, 2016 in Logan, Utah. This training was comprised of 14 hours of hands-on instruction on how to make web sites more accessible to people with disabilities.

Curriculum included accessibility knowledge and techniques for:

- Section 508 of the Rehabilitation Act
- W3C's Web Content Accessibility Guidelines 2.0
- How people with disabilities access and use the web
- HTML, HTML5, and CSS accessibility
- JavaScript
- Accessible Rich Internet Applications (ARIA) and HTML5
- Multimedia accessibility
- PDF
- Microsoft Office
- Evaluation and testing

Garrick participated in the entire training and demonstrated ability in understanding and applying the techniques presented.
